(65 ILCS 5/3.1-10-5(c), 3.1-25-75(a)(b))

If a person is a resident of a municipality immediately prior to the active duty military service of that person or that person's spouse, resides anywhere outside of the municipality during that active duty military service, and immediately upon completion of that active duty military service is again a resident of the municipality, then the time during which

the person resides outside the municipality during the active duty military service is deemed to be time during which the person is a resident of the municipality for purposes of determining the residency requirement. (65 ILCS 5/3.1-10-5(d))

A person is not eligible to take the oath of office for a municipal office if that person is, at the time required for taking the oath of office, in arrears in the payment of a tax or other indebtedness due to the municipality or has been convicted in any court located in the United States of any infamous crime, bribery, perjury, or other felony. (730 ILCS 5/5-5-5)

SIGNATURE REQUIREMENTS

Established Party: For president, mayor, trustee, or clerk, at least 0.5% (.005) of the qualified primary electors of the candidate's party in the city, incorporated town, town, or village. (10 ILCS 5/7-10(e))

For alderperson, at least .5% (.005) of the qualified primary electors of the candidate's party within the ward, but in no event shall the number of required signatures be less than 25. In the first primary election following redistricting of wards or trustee districts of a municipality or the initial establishment of wards or districts, a candidate's petition for nomination must contain the number of signatures equal to at least 0.5% of the total number of votes cast for the candidate of that political party who received the highest number of votes in the entire municipality at the last regular election at which an officer was regularly scheduled to be elected from the entire municipality, divided by the number of wards or districts. In no event shall the number of signatures be less than 25. (10 ILCS 5/7-10(e))

New Party: For the consolidated election, not less than 5% of the total number of persons who voted in the last regular election in the district or political subdivision in which the district or political subdivision voted as a unit for the election of officers to serve its respective territorial area. (10 ILCS 5/10-2)

For the first election following redistricting of municipal wards or districts, or for the first election following the initial establishment of such districts or wards in a municipality, a petition to form a new political party in a municipal ward or district shall be signed by qualified voters of the district or ward equal to not less than 5% of the total number of votes cast at the preceding municipal election, as the case may be, for the municipal office voted on throughout the municipality for which the greatest total number of votes were cast for all candidates, divided by the number of districts or wards, but in any event not less than 25 qualified voters of the district or ward. In the case of a petition to form a new political party within a political subdivision in which officers are to be elected from districts and at-large, such a petition shall consist of separate components for each district from which an officer is to be elected. (10 ILCS 5/10-2)

Independent: For the consolidated election, not less than 5% nor more than 8% (or 50 more than the minimum, whichever is greater) of the number of persons who voted at the last regular election in the district or political subdivision in which the district or political subdivision voted as a unit for the election of officers to serve its respective territorial area. (10 ILCS 5/10-3)

Example: If 1,000 voters cast ballots at the last regular election in the district or political subdivision, the formula of 5% - 8% would result in a signature requirement of 50 – 80. A difference of 50 between the minimum and maximum is required. (10 ILCS 5/10-3) Therefore, the signature requirement would be 50 – 100.

For the first election following redistricting of municipal wards or districts, or for the first election following the initial establishment of such districts or wards in a municipality, nomination papers for an independent candidate for

alderperson or trustee of the municipality shall be signed by qualified voters of the district or ward equal to not less than 5% nor more than 8% (or 50 more than the minimum, whichever is greater) of the total number of votes cast at the preceding general municipal election, as the case may be, for the municipal office voted on throughout the county or municipality for which the greatest total number of votes were cast for all candidates divided by the number of districts or wards, but in any event not less than 25 qualified voters of the district or ward. (10 ILCS 5/10-3)

Nonpartisan (City): For the consolidated primary election, not less than 5% nor more than 8% (or 50 more than the minimum, whichever is greater) of the number of persons who voted at the last regular election in the district or political subdivision in which such district or political subdivision voted as a unit for the election of officers to serve its respective territorial area. (10 ILCS 5/10-3, 10-3.1)

Nonpartisan (Village): 1% of the total vote cast at the last preceding election in the village for president. (65 ILCS 5/3.1-25-30)
