A Message to Voters

I am delighted to present to voters of Macoupin County this Voter Information and Election Guide for the April 1 Consolidated Election. While it often attracts disappointingly low voter participation, the Consolidated Election is the election that most directly impacts the lives of local citizens.

The Consolidated Election combines elections for school board members, municipal officeholders, and township officials—the elected officials who make decisions affecting voters' day-to-day lives. School board members, for example, set education policies and determine what classes will be available to your children and who will teach those courses. Likewise, municipal and township officials make decisions about which sidewalks will be replaced and which streets and roadways will be resurfaced. In addition to making decisions about the level of public services local government provides, these bodies also play a large role in determining the taxes residents pay to support those services. Voters who participate in the Consolidated Election will choose leaders from among their friends and neighbors to serve in offices that directly affect the quality of life for all residents. It is representative democracy at its most grassroots level.

In addition to voting their preferences for local public officials, voters in the City of Gillespie will be asked to weigh in on whether or not the city imposes a one percent sales tax to support Public Safety services.

Despite the importance of the Consolidated Election, it typically attracts fewer voters than either the primary or general elections. In 2023, for example, only 3,702 of Macoupin County's 31,790 registered voters cast ballots for a disappointing voter turnout of

11.65 percent. By way of comparison, 23,647 ballots were cast in the 2024 General Election for a voter turnout of 75 percent. Even the 2024 Primary attracted 5,843 voters for a voter turnout of 19 percent.

Regardless of voter turnout, we operate the same number of polling places, pay for the same number of election judges, and incur basically the same administrative costs as we do for any election. The Elections Office administers the Consolidated Election with the same care, professionalism, and integrity we apply to all elections.

Nothing would please me more than to see a larger voter turnout for the Consolidated Election. My office and state lawmakers have done virtually everything possible to make it more convenient and easy to participate not only in the Consolidated Election but all Illinois elections. In fact, opportunities to vote are so diverse that it is hard to think of any excuse for a registered voter not to cast a ballot other than lack of interest.

In accordance with state law, we mail vote-by-mail applications to every registered voter in the county. Additionally, we provide numerous opportunities for early voting for persons who do not wish to cast their ballot on election day. I'm extremely proud of the newly opened Macoupin County Voting Center at 227 E. First South Street in Carlinville, which provides a convenient central location for in-person early voting. For the 2024 General Election, about 4,000 voters cast early ballots at the Voting Center. I would encourage anyone who does not place to vote on Election Day to visit the Voting Center during the early voting period, Feb. 20 through March 31.

This 2025 Consolidated Election Guide and Voter Information publication is part of our continuing effort to more fully inform voters about the election process and make it easier for them to participate in local elections. In addition to sample ballots, this publication includes information to help you find your local polling place, vote early or vote-by-mail. Our goal is to provide as much information as possible to make voters feel more comfortable about participating in public elections. Ultimately, we hope more and more voters will take the time to exercise their right to help choose

their local governmental leaders. I urge you to take time to read this guide before casting your Consolidated Election ballot.

Virtually everything you need to participate in the Consolidated Election is included in this publication, but anyone who has questions or desires more information may visit our comprehensive election website at macoupinvotes.com or contact my office at (217) 854-3214, extension 918. By visiting macoupinvotes.gov, voters can check the status of their voter registration, find the polling place for their precinct, view sample ballots and obtain other information. On election night, the website will be updated regularly with election results so voters will know the outcome of local races as soon as ballots are counted.

As always, it is my pleasure to administer the 2021 Consolidated Election in Macoupin County and I deeply appreciate the opportunity to serve the voters of this county.

ON THE COVER: Using proceeds from a federal Centers for Election Excellence grant, the Macoupin County Board authorized establishing a County Voting Center last year at 227 E. First South Street in Carlinville. Located adjacent to the Old County Jail, directly across the street from the Courthouse, the new facility not only provides a central location for early voting, but also improves election secure by providing a secure location for storing and testing voting machine, and providing space for meetings and election judge training.

Voter Responsibilities

Each registered voter in this state should:

1. Familiarize herself or himself with the candidates and issues.
2. Maintain with the Elections Office their registration with a current name and address.
3. Know the location of her or his poll-

- ing place and its hours of operation.
4. Bring proper identification to the polling station in case it is needed.
5. Familiarize herself or himself with the operation of the voting equipment in his or her precinct.
6. Treat precinct workers with courtesy.

Casting Your Ballot

Optical Scan Voting: As Easy as 1,2,3

1. Receive your ballot

Enter the polling place and give your name and address to an Election Judge. Complete and sign an Application to Vote. Upon verification, the election judge will give you:

- a paper ballot
- a privacy cover
- a pen

2. Enter the voting booth and mark your ballot

Enter the next available voting booth. To vote the optical scan ballot, completely fill in the oval to the left of the candidate or public question of your choice. Be sure to mark both sides of your ballot if needed. If you make a mistake marking your ballot, return it to an Election Judge to receive a new ballot.

3. Vote!

Cover your ballot with the privacy sleeve and insert the ballot into the ballot tabulator. The Optical Scan System complies with the Help America Vote Act (HAVA) to provide voters an opportunity to check for and correct ballot errors (for example, casting more votes for an office than allowed results in an overvote). If an error is detected, the system will gently beep and give you the option to accept the ballot as is (the overvoted office will not count) or you may return the ballot to an Election Judge and receive a new ballot

- ❖ The ballot tabulator will notify you if you have overvoted an office or undervoted an office. Many voters intentionally skip offices which they do not care to vote in, but rarely intentionally vote for more candidates than allowed in any given office. You can either count the ballot as is or go back and check your ballot.
- ❖ The ballot tabulator will notify you if you have insert-

ed a blank ballot or one that it perceived to be blank because it was not marked properly.

- ❖ The "paper trail" provided by this system of voting is not a receipt for the voter, but instead an actual ballot which can be recounted when necessary to insure the integrity of the system.

How Do I Vote Early?

WHAT IS EARLY VOTING?

Registered voters may cast a ballot prior to Election Day without having to provide a reason for wanting to vote early. This ballot is cast by personal appearance at the Macoupin County Voting Center office or at a location set up by the County Clerk.

WHEN DOES EARLY VOTING OCCUR?

Early voting runs through March 31.

WHERE CAN PEOPLE VOTE?

People may vote at the Macoupin County Voting Center, located east of the Old Macoupin County Jail, Monday through Friday, 8:30 a.m. to 4:30 p.m., Feb. 20 through March 31. Special evening and Saturday hours are listed below.

IF I VOTE EARLY, BUT CHANGE MY MIND, MAY I VOTE ON ELECTION DAY?

No. The law prohibits a person who voted during the early voting period from voting again on Election Day.

ARE POLLWATCHERS ALLOWED AT EARLY VOTING SITES?

Yes. Just as with a regular polling place on Election Day, pollwatchers may be appointed to observe early voting by personal appearance at each permanent and temporary polling place where early voting is conducted.

WHAT ARE THE SAFEGUARDS AGAINST VOTER FRAUD?

Election judges will compare the voter's signature with the signature from when the voter registered.

The votes cast during the early voting period will not be counted until after the polls close on Election Day.

WHAT IS THE REASON FOR EARLY VOTING?

A major reason for early voting is to encourage greater participation in the election. People who travel for business, work long hours or are otherwise inconvenienced by the hours the polls are open may find it easier to vote early.

Early Voting Dates & Times

DATES	LOCATION	TIMES
February 20 - March 31 (Monday-Friday)	Macoupin County Voting Center 227 E. First South, Carlinville	8:30 a.m.-4:30 p.m. (Closed Oct. 14 for Columbus Day)
Monday, March 24 and Tuesday March 25	Macoupin County Voting Center 227 E. First South, Carlinville	4:30 p.m.-7 p.m.
Saturday, March 29	Macoupin County Voting Center 227 E. First South, Carlinville	9 a.m.-12 noon

Vote By Mail Now Permanent

The state has approved giving voters the choice of receiving a mail ballot each election without applying each time.

Voters wanting to be placed on the permanent vote by mail list are required to apply for that list. Once they apply, they will remain on the list and have a ballot mailed to them each election going forward. If the voter requests to be removed from the list, there is a change to their registration, or they move out of county, they will be removed from the list and no longer receive a ballot in future elections.

Those wanting to apply can choose to just apply to receive a ballot at general elections and consolidated elections

or they can choose to also receive a primary ballot for the party they put on their application each primary, as well as general elections and consolidated elections.

"I'm very happy that voters who have been voting by mail for years and years will now have the option of requesting a ballot automatically if they so choose," Duncan said. "I'm all for giving voters more choices on how they want to vote. For those who only want to vote at their polling place on Election Day, they can still do that. For those who do apply to vote by mail each election, this is an option that may make sense for you."

This will be more cost-effective and efficient for elections going forward. There are quite a few voters in Macoupin who have voted by mail each election for many years. Each Election, the Election office has probably mailed them an application, and they've mailed it back to get their ballot. While it's not a lot of postage and costs, eliminating that step by that voter going on the permanent mail ballot list does save money. It also helps our Election office since they will have a head start on vote by mail ballot mailing since it will be known going in how many permanent mail ballots are going out, and can get them to voters right away.

Vote by Mail Balloting

Who Can Vote by Mail?

Any registered voter in Macoupin County is eligible to cast a vote by mail ballot, without specifying a reason why they will be absent from the polling place on Election Day. Voters who registered by mail and did not provide sufficient proof of identity will be notified by the County Clerk that their registration is not complete. They will be ineligible to vote until they provide the required proof of identity at the polling place on Election Day or when requesting a vote by mail ballot.

Can I Vote Absentee?

Illinois law has changed the name of absentee voting to voting by mail. If you want to vote absentee, you will now do it as a vote by mail.

How do I apply to vote by mail?

You can request an application to vote by mail in many different ways. You can come in person to the Election office, send in a request by mail, call (217) 854-3214 ext 918 or apply online at MacoupinVotes.gov.

The Election office will need the voter's name, residence address, mailing address and date of birth at the time of request.

What's the deadline to apply to vote by mail?

The deadline is Thursday, March 27 by 4:30 p.m. The Election office cannot mail a ballot to you after that time.

How to Vote by Mail

Step 1 : Once you have applied and returned your signed application, the Election's office will mail you your vote by mail ballot packet. The packet—including a ballot, instructions on how to fill out your Vote by Mail ballot, certificate envelope, and a return mailing envelope with pre-paid postage—will be mailed to the voter.

Step 2: Upon receipt of the vote by mail ballot packet, follow all instructions on how to vote and return the ballot to the County Clerk's Office. Make sure to seal just your ballot in the secrecy envelope and place the secrecy envelope and certification card in the return envelope.

What is the deadline to return my ballot to the Election office?

Returned vote by mail ballots must be postmarked by Tuesday, April 1, and must be received by the Election Office within 14 days of Election Day. If you want to personally deliver your ballot to the Election office, it must be received by no later than 7 p.m. on election day. You may authorize any person to return your ballot to the election authority, as long as you have signed the affidavit on the ballot envelope affirming that authorization was given to deliver the ballot.

Can I receive assistance in voting my ballot?

If you receive assistance in voting your ballot, the name and address of the individual providing the assistance must be placed on the ballot certification card. Remember that a candidate is NOT allowed to assist a voter unless the candi-

date is a spouse, parent, child or sibling of that voter.

Military and Overseas Voting

Members of the Uniformed Services and their family members or U.S. citizens residing overseas whose last known address is in Macoupin County and wish to vote by mail may do so by completing and mailing an FPCA (Federal Post Card Application). By completing this application, you will automatically be sent a vote by mail ballot for one calendar year.

Vote by Mail Ballot Integrity

It is illegal to:

- Make a false statement to obtain a vote by mail ballot or solicit someone to do so
- Vote a Vote by Mail ballot unless you qualify for one
- Have a candidate assist you in voting unless the candidate is a spouse, parent, child or sibling of that voter.

Do not let anyone:

- Mark your ballot, or unduly influence your ballot selections, unless you require assistance. Individuals who cannot assist voters include the Voter's Employer or Agent of that Employer, or Officer or Agent of the Voter's Union.
- On your behalf, sign your name to the Application for a Vote by Mail Ballot and/or certificate envelope. By law, the Macoupin County Clerk's Office compares the facsimile signature at registration with the signature provided on the Application for Vote by Mail Ballot and certificate envelope.
