Obtain Legal Counsel and Format of Paperwork

This packet of information is being provided by the Macoupin County Clerk's office as a courtesy to prospective candidates. Information and suggested forms are also available on the Illinois State Board of Elections website at www.elections.il.gov. It is important to note that Nominating Petition papers are subject to legal challenge by objectors if improperly completed.

Please be advised that the Clerk and staff are not able to provide legal opinions to individuals regarding their petition papers. Prospective candidates are encouraged to consult their own legal advisors on questions related to qualifications for office, preparation of petition papers, circulator requirements, signature requirements, etc., because once the petition papers are officially filed, they cannot be changed or amended.

6. A signer may sign petitions of as many candidates of the same political party as they wish.
